Event Corner provides the technical expertise and the necessary support to ensure your event is a 'glitch free' success, from initial planning through to end delivery.

## Expertise

With our in-depth knowledge of conference venues, suitability of sound, light combinations and set design skills, we will ensure you get the best value for your money and the best results from your event - whether it's a conference presentation, an awards night or a themed evening.

## Added value

From receipt of the initial brief we take the time to understand your requirements before we advise a complete solution package.

Our staff are professional, personable and highly motivated, working to both creative and budgetary briefs to deliver what you want, when you want it and importantly at the right price!

Let us provide you with peace of mind that whatever the size or format of your event we can provide the technical support you're looking for.
